Re: South Cavalcade Street Site
Houston, Texas
(Koppers former Collingsworth
Street Plant)

Dear Mr. Cochran:

This is further to my letter of October 31, 1984 which advised that Koppers was considering the development of a work plan and participation in the RI/FS for the subject site.

Koppers hereby offers to conduct the RI/FS for the subject site in cooperation with the other potentially responsible parties identified in Mr. Davis' letter of 10/22/84 in accordance with an agreed upon site investigation work plan. Koppers trusts the foregoing evidences Koppers desire to proceed in continued good faith to resolve any problems presented by the site.

Very truly yours,

Thomas L. Sivak/mkb
